10 Reasons to Vote For Dyl and Bell  
 (1) They're poor, but completely mad for each other (2) They call each other Dyl-Pickle and Bell (3) They liked to go to pretty places, and have pretty conversations. (4) Dylan said this about Bell "I found in Kelly Kate every conceivable necessity I would ever need in a woman, the things that she was capable of and do on a regular basis, wow, I was unable to watch her go to graduate school without knowing that I would be her husband someday." (5) Kelly gushed this: "Dylan can make anything feel like the most special moment in the world." (6) They have survived a year apart while Kelly got her masters degree (7) More than anything, they want to produce an intimate, event full of the beauty they find in all the people they love (8) They're broke, but cute-broke. (9) They are a stubborn couple: they want a beautiful wedding ...despite the cute-broke. (10) Choosing them means choosing two committed young persons with the experience of their lives
